NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of the Condensed Consolidated Financial Statements

This general purpose half year financial report has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

It is recommended that this financial report be read in conjunction with the 2013 Annual Report and any public announcements made by the Company during the half year, in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The condensed financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half year financial report are consistent with those adopted and disclosed in the company's 2013 annual financial report for the financial year ended 30 June 2013, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

The Company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are relevant to their operations and effective for the current reporting period.

New and revised Standards and amendments thereof and Interpretations effective for the current reporting period that are relevant to the Company include:

- Amendments to AASB 1, 7, 101, 112, 120, 121, 132, 133 and 134 as a consequence of AASB 2011-9 '*Amendments to Australian Accounting Standards – Presentation of Items of Other Comprehensive Income*'

The following significant accounting policies have been adopted in the preparation and presentation of the half year financial report from 1 July 2013 to 31 December 2013.

(a) Holdings of Securities

(i) Statement of Financial Position classification

The Consolidated entity has two portfolios of securities, the investment portfolio and the trading portfolio.

The investment portfolio comprises holdings of securities which the directors intend to retain on a long-term basis, and has been classified as a non-current asset.

The trading portfolio comprises holdings of securities held for short term trading purposes and is classified as a current asset.

(ii) Valuation of investments

Securities, including listed and unlisted shares, notes and options, are initially brought to account at cost (including any associated transaction costs) and are continuously carried at fair value.

Fair value for the purposes of valuing holdings of securities is determined by reference to market prices prevailing at balance date, predominantly last sale price, where the securities are traded on an organised market. Where a security is not so traded, its fair value is determined by the Directors.

(iii) Income from holdings of securities

Distributions relating to listed securities are recognised as income when those securities are quoted ex-distribution basis. Distributions relating to unlisted securities are recognised as income when received unless the distributions are capital returns in which case the amount of the distribution is treated as an adjustment to the cost base of the securities.

(b) Excess of current liabilities over current assets

At 31 December 2013, the Group's current liabilities (\$362,161) exceed its current assets (\$158,630) by \$203,531. Notwithstanding the deficiency, the financial statements have been prepared on a going concern basis which contemplates the realisation of assets and the extinguishment of liabilities in the ordinary course of business. The directors will realise a portion of the Group's investment portfolio to enable it to meet any debts as and when they fall due and payable if required. It is on this basis that the Group has prepared its financial statements on a going concern basis.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF PRITCHARD EQUITY LIMITED**

Report on the half year financial report

We have reviewed the accompanying half-year financial report of Pritchard Equity Limited, which comprises the condensed statement of financial position as at 31 December 2013, and the condensed statement of profit or loss and other comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half-year ended on that date, a statement of accounting policies, other explanatory notes and the directors' declaration of the company.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Australian Auditing Standard on Review Engagements ASRE 2410 *Review of Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Pritchard Equity Limited's financial position at 31 December 2013 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. As the auditor of Pritchard Equity Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Pritchard Equity Limited is not in accordance with the *Corporations Act 2001* including:

(i) giving a true and fair view of the Pritchard Equity Limited's financial position as at 31 December 2013 and of its performance for the half-year ended on that date; and

(ii) complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
